

Italy Adult SERVE TRIP '25

June 6-16

Do you love serving children? Are you interested in seeing how God might use you in another culture to impact the lives of the next generation and their families? Magnify is excited to offer the Italy Adult Serve Trip to Imola, Italy to work with our global partners, Josh and Sara Whitman.

What?

We will be running English Vacation Bible School for Italian elementary children in central Italy. As this will draw many from the community who are eager for their children to learn and practice English, it's a beautiful way to come alongside the Whitman's, our partners in Italy, to make purposeful connections. We will bring with us an already-developed program, and plan it and execute it together as a team.

While there, we will also fellowship with Josh and Sara's church plant, Chiesa La Rocca for Sunday services, see some of the historical sites nearby, and enjoy the area.

Why?

3 reasons.

1. We serve a God who is always on a mission and who has called us to go.
2. The opportunity to learn about missions, our missionary, and to partner in some small way with local church efforts to reach and disciple.
3. In the process of obediently going, you will find your life challenged towards becoming more fully a servant of our Lord Jesus Christ and those He loves. You will be stretched to articulate your faith and lovingly pursue others for Christ.

When?

We are looking to have our team in place by February.

We will plan to leave Friday, June 6 and return on June 16th.

Where?

Imola, Italy. We will be staying in accommodations near the city, driving in and out each night.

Who?

This trip is for any adult who currently volunteers with Kids at Magnify, has a teachable heart, loves Jesus and working with elementary age kids, and wants to see God's name magnified in the nations.

As a team of 8 Magnify adults, we will be running one week of English VBS for Italian elementary children in central Italy.

How Much?

The trip will cost approximately \$2900 depending on flight costs. This cost includes flight, lodging and food. If you feel you ought to be a part of this, contact Kim Fedrigo before you let money be the sole deciding factor in not going.

Transportation?

We will be flying into Bologna, Italy. We will then have cars to move about the area as a team
