

# MEN AT MAGNIFY

## SUMMER 2024

This is a great time to shift gears and hang out with men. Join us for one or all of these opportunities to connect and enjoy these pure Michigan summer months together!

### MEN AT MAGNIFY

Men at Magnify exists to help men live their mission by discovering what their mission is, building their team, enduring in it, and attacking the obstacles in their way. Our vision is that our men would find life, hope, and freedom in Christ together.
