

# Malawi SERVE TRIP '25

June 20-29, 2025

Do you love serving? Are you interested in seeing how God might use you in another culture to impact the lives of people from all over the world who are serving Christ in Africa?

Magnify is excited to offer the Malawi Serve Trip to work with our global partners, Tim and Michelle George.

## **What?**

We will be serving at a Bible conference for SIM missionaries serving in Mozambique (though the conference will be in Malawi). This will include teaching adults, leading worship, planning and executing programming for teens and children. We are looking for team members to help in all those areas: teaching adults, teens, and children as well as leading worship.

## **Why?**

3 reasons.

1. We serve a God who is always on a mission and who has called us to go.
2. The opportunity to learn about missions, our missionary, and to partner in some small way with local church efforts to reach and disciple.
3. In the process of obediently going, you will find your life challenged towards becoming more fully a servant of our Lord Jesus Christ and those He loves. You will be stretched to articulate your faith and lovingly pursue others for Christ.

## **When?**

We are looking to have our team in place by February.

We will plan to be gone from June 20-29.

## **Where?**

Blantyre, Malawi. We will be staying at a local conference center.

## **Who?**

This trip is for any adult who currently volunteers at Magnify, has a teachable heart, loves Jesus, loves working as a servant, and wants to see God's name magnified in the nations.

As a team of 8 Magnify adults, we will be teaching adults, teens and children at a conference for missionaries.

## **How Much?**

The trip will cost approximately \$3300 depending on flight costs. This cost includes flight, lodging and food. If you feel you ought to be a part of this, contact Kim Fedrigo before you let money be the sole deciding factor in not going.

## **Transportation?**

We will be flying into Blantyre, Malawi. We will then have a van to move about the area as a team.

If you are interested in joining us: fill out the short-term mission application that can be found on our website.
