

# DELIGHTING IN THE TRINITY

## CHAPTER SUMMARY

The doctrine of the Trinity helps reveal what is false in some ugly theories about God. Attributes like holiness, wrath, and glory make more sense when seen in the light of one God in three persons.

## DISCUSSION QUESTIONS

- Have you ever been bothered by the idea of “the dictator in the sky who micromanages your life”? How did you resolve the issue?
- Do you ever doubt whether God is real or good or supreme? If so, when do those doubts tend to strike you?
- Most kinds of spirituality suggest that God is more of a force or experience than a person. What would you lose if that were true?
- What did you like about Reeves’ discussion of holiness, wrath, and glory? What questions do you still have?
- Is there anything you would add to Reeves’ list of why the God of the Bible is so worthy of praise?
