

## *Panel Discussion Reflection*

Was there anything that stood out to you from the panelists stories?

What unexpected circumstances or events surprised you about marriage?

How did you respond to these? Did the Gospel influence your response?

What was your relationship with God like in these seasons?

What is one thing you hope to take away from the panel discussion to help you flourish in your marriage?

What is one thing that you need to submit humbly to the Father in your marriage as you pursue unity?
