

Dance at Magnify Northview is a dance program offered at Magnify Church's Northview campus. The program is a combined-ages class exploring worship dance together. Our mission is to train and mentor participants at Magnify Church to minister to others through dance, to dedicate their creativity to glorifying God and to use this expression of worship to advance His kingdom and spread the good news of the gospel.

ABOUT THE INSTRUCTOR

Johanna (Schuyten) Zwyghuizen

I began dancing with liturgical dance at a studio in Greenville. I also studied at Academy of Dance Arts and Dance Dimensions before attending the School of Grand Rapids Ballet.

Through college and afterwards, I danced with Balletmore Dance Ensemble. I also taught at the Balletmore studio, and found great joy in working with young dancers from ages 3 on up.

In addition to ballet and liturgical dance, I was involved with modern dance through DITA (Dance In The Annex), including a shortlisted juried time-based Artprize piece, and a juried time-based Artprize-winning piece.

I have been involved with Children's Ministries at Magnify for over 20 years, I love Jesus, and I love dancing! It's a privilege to share my joy and my experience where all those things overlap.
